

THUS SPOKE THE PLANTS

Holistic insights upon NEW Higher orders, families and Remedies from the Plant kingdom

An Online Course with Dr Dinesh and Dr Urvi Chauhan

Exchanges upon the topics:

Applying concept of individualization and holism to study master keys of **NEW HIGHER ORDERS**, master key of each families in higher order and holistic master key of individual known and unknown remedies that will form a complete picture incorporating classical materia medica, repertory, proving, nature, mythology and source language upon each of these.

1. HIGHER ORDER ROSALES:

- a. **Family Cannabaceae (Hemp family):** Cannabis Indica , Cannabis Sativa ,Lupulus Humulus etc.
- b. **Family Moraceae (Mulberry family):** Brosimum Utile, Ficus carica (Fig fruit plant) (Anjeer), *Ficus elastica* (Indian rubber), Ficus indica (Banyan tree.), Ficus Religiosa (Sacred fig or Bodhi tree.) and others.
- c. **Family Rhamnaceae (Buckthorn family.):** Cascara Sagrada (Rhamnus Purshiana), Ceanothus, Karwinskia Humboldtiana, Rhamnus Californica, Ziziphus madecassus (Buffalo thorn)
- d. **Family Rosaceae (Rose Family):** Agrimonia eupatoria. (Flower essence), Alchemilla vulgaris ((Lady's Mantle), Amygdalus Dulcis (Almond. Bitter almond. Sweet almond.), Amygdalus persica (Peach) Crataegus oxyacantha , Fragaria vesca (Strawberry), Laurocerasus, Pyrus Americanus , Pyrus Sativa (Common pear.), Prunus spinosa, Rosa canina. (Bach Flower remedy) , Spiraea Ulmaria
- e. **Family Ulmaceae (Elm family):** Ulmus americana (American elm. Water elm.), Ulmus procera ,

- f. **Family Urticaceae (Nettle Family):** Parietaria officinalis , Urtica Urens

2: HIGHER ORDER GENTIANALES

- a. **Apocyanaceae Family:** Alstonia scholaris. Apocynum cannabinum., Asclepias, Calotropis gigantea, QUEBRACHO, Nerium oleander. (Rose Laurel), Rauvolfia serpentina, Strophanthus hispidus , Strophanthus sarmentosus, Tanghinia venenifera, Vinca minor. (Lesser periwinkle.) , Vinca Rosea (Catharanthus roseus/Madagascar , periwinkle/Rosy periwinkle)
- b. **Gentianaceae Family:** Centaury (Bach Flower Remedy), Gentiana amarella (Bach Flower Remedy), Gentiana lutea. (Yellow gentian, Gentiana quinquefolia (Five-flowered Gentian), Swertia Chirata (Indian China)

3: HIGHER ORDER CARYOPHYLLALES

Families: Cactaceae, Caryophyllaceae, Chenopodiaceae, Amaranthaceae , Nyctaginaceae , Aizoaceae, Droseraceae, Nepenthaceae, Plumbaginaceae, Polygonaceae, Phytolaccaceae

- a. **Phytolaccaceae Family:** Phytolacca Decandra, Phytolacca berry, Petiveria
- b. **Chenopodiaceae Family:** Chenopodium anthelminticum., Spinacia oleracea, Atriplex Hortensis
- c. **Amaranthaceae Family:** Paronichia illecebrum,
- d. **Cactaceae Family:** Anhalonium Lewinii (One of the slowest-growing plants in existence),. Cactus Grandiflorus (Queen of the night. Vanilla cactus.) , Carnegiea Gigantea (Giant cactus.), Cereus bonplandii (Midnight-lady. Moonlight cactus.) Opuntia ficus-indica (Prickly pear), Opuntia Vulgaris (Eastern prickly pear.)
- e. **Polygonaceae Family:** Fagopyrum esculentum., Polygonum Punctatum, Rheum, Rumex crispus

- f. ***Droseraceae Family:*** *Dionaea muscipula*, *Drosera*
- g. ***Nyctaginaceae:*** *Mirabilis Jalapa*
- h. ***Caryophyllaceae Family:*** *Saponaria Officinalis*, *Scleranthus Annus* (Flower essence), *Silene Californica* (Flower essence), *Stellaria Media*
- i. ***Aizoaceae Family:*** *Mesembryanthemum Crystallinum*
- j. ***Nepenthaceae Family:*** *Nepenthes Distillatoria* (Pitcher plant)
- k. ***Plumbagineae Family:*** *Cerato* (Bach flower essence)

4: HIGHER ORDER ASTERALES WITH FOCUS ON FAMILY ASTERACEA AND ITS TRIBES

ASTERALES:

- a. ***Asteraceae***
- b. ***Campanulaceae***
- c. ***Menyanthaceae***

a. *Asteraceae Family:*

- Tribe Anthemidae: *Millefolium*, *Artemisia vulgaris*, *Artemisia Absinthinum*, *Artemisia Abrotanum*, *Artemisia*, *Cina*, *Santoninum*, *Chamomilla*, *Tanacetum vulgare*
- Tribe Astereae: *Bellis perennis*, *Erigeron Canadensis*, *Grindelia robusta*, *Solidago virgaurea*.

- Tribe Eupatorieae: Eupatorium perfoliatum (Boneset), Eupatorium purpureum , Guaco
- Tribe Cardueae: Carduus benedictus, Carduus Marianus (Silybum marianum), Carthamus Tinctorius (Safflower.), Cynara Scolymus (Artichoke.), Lappa arctium or Lappa major (Arctium lappa), Onopordum acanthium., Centaurea Solstitialis
- Tribe Inuleae: Inula helenium, Inula pulicaria
- Tribe Heliantheae: Ambrosia Artemisiifolia , Echinacea Angustifolia , Echinacea Purpurea Flower essence), Espeletia Grandiflora , Helianthus Annus (Sunflower), Helianthus Tuberosus , Parthenium Hysterophorus (Parthenium weed) , Rudbeckia Hirta (Flower essence), Silphium Laciniatum , Spilanthes Acmella, Wyethia Helioides
- Tribe Lactuceae: Cichorium endivia, Lactuca virosa (opium lettuce), Taraxacum officinale (dandelion)
- Tribe Senecioneae: Brachyglottis repens, Cineraria, maritima , Senecio Aureus , Tussilago farfara, Tussilago fragrans
- Tribe Gnaphalieae: Gnaphalium, Leontopodium alpinum

5. Discussion on **THE PLANT SCHEMA**: includes master keys of all higher orders, families, remedies with chart of remedies with miasms, organ affinity (sphere of action) and trinity of symptoms of each known and unknown remedies.

6. A Multidimensional plants master key schema of **Higher orders Cucurbitales, Malvales, Lamiales, Apiales and Magnoliales**

With respect to subfamilies in them and the remedies along with chart of organ affinity, miasm, trinity of symptoms of remedies

(If time permits: **HIGHER ORDER SAPINDALES**)

SPECIAL NOTE for all the registered participants

☞ complementary video access to session 1 of the online plant course (2019)
{for 15 days, 14th - 28th feb 2020}

- œ Participants can view the recording of all the live sessions of the course multiple times after the live coverage for a selective period.
- œ 15% discount on Dr chauhan's books.
